

AllPro™

AllPro™ Combo Available Spring 2001!

CENTER SWEEP STRIP SYSTEM

The #1 choice of sweeping professionals. The broom that's "Sweeping" the roads of America today. Individual polypropylene strips are mounted on a mandrel, forming a full size, densely bristled broom. The All-Pro™ center sweep mandrel establishes a smooth even pattern, creating constant bristle contact with the sweeping surface. Fused polypropylene bristles do the digging and flicking necessary to remove heavy debris. The superior 100% recycleable All-Pro™ Strip Broom achieves cleaner sweeping, and creates the most aggressive sweeping available on the road today. *All-Pro™ Combo strip broom is available for heavier sweeping and milling applications.* *You've tried the rest. Now try the best!*
